REGULATIONS.

Ordinary Business.—All the year round this Office is on Week Days open to the Public for Ordinary Business at 6.45 a.m. It is always closed at 8 p.m. On Sunday the Office is open from 9 a.m. till 10 a.m., and from 12.30 p.m. to 1.30 p.m., but the Letter Box remains open as on other days.

MONEY ORDERS.—The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security, than verbal messages, against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The commission on inland Money Orders is:—

For sums under 10s, -	1d	For sums of 5*l.* & under 6*l.*	7d
,, of 10s & under 1*l.*	2d	,, 6*l.* ,, 7*l.*	8d

,, ,, 4*l.* ,, 5*l.*	6d	,, 10*l.* - - .	1s

No Order is allowed to contain a fractional part of a penny.

No Money Order can be issued, unless the applicant furnish, in full, the Surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address.

A Money Order, when once issued, cannot be cancelled.

No Money Order or Savings Bank business is transacted on a Sunday or Sacramental Fast Day.

APPLICATIONS TO RETURN LETTERS.—A letter, when it has once been posted, cannot be returned to the writer, but must be forwarded to the person to whom it is addressed.

CHANGE AND BAD MONEY.—No Postmaster is bound to give Change, or is authorised to demand Change; and when any money is paid at this office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

POST OFFICE SAVINGS BANKS.

Every Post Office Savings Bank is also a Money Order Office, and is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post

Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any year ending the 31st December, or make any further deposit when the amount standing in his name, exclusive of interest, exceeds £150. When any depositor's principle and interest amount together to £200, all interest will cease so long as the balance of the account continues to amount to the said sum of £200.

Interest, calculated yearly at the rate of £2 10s per cent. per annum, will be allowed on every complete pound deposited, reckoned from the first day of the calender month next following the day on which a complete pound should have been deposited or completed up to the first day of the calendar month in which the moneys are withdrawn.

INLAND LETTERS.—RATES OF POSTAGE.

The rates of postage when prepaid are as follows, viz.:—

For a letter	not above 1 oz.,	...	...	1d
,,	above 1 oz.	but not above 2 oz.	...	1½d
,,	,, 2 oz.	,, 4 oz.	...	2d
,,	,, 4 oz.	,, 6 oz.	...	2½d
,,	,, 6 oz.	,, 8 oz.	...	3d
,,	,, 8 oz.	,, 10 oz.	...	3½d
,,	,, 10 oz.	,, 12 oz.	...	4d

A letter above the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. Thus, a letter weighing 14 and 15 ounce must be prepaid 1s 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a Mem-

ber of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or are in covers open at the sides. No letter, or other enclosure, however, must be inserted, and if one be found, such enclosure, unless it bears the proper number of postage stamps, will be charged as an unpaid letter.

INLAND NEWSPAPERS.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable for a book packet of the same weight, viz., one half-penny for every two oz., or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The newspaper wrappers, which are of three different sizes, are sold at twelve for 6½d.

The Post Cards are not sold singly, but in packets of twelve for 6½d.

INLAND BOOK POST.

The following are the regulations for the Inland Book Post:—

The postage is one half-penny for every two oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage; and if posted partially prepaid, with double the deficiency.

A book packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the great security of the contents, however, it may be tied

at the ends with string; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

CIRCULARS—*i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed—may also be sent by book post.

It seems necessary, therefore, to explain for the guidance of the public—

1. That the letter rate of postage must be prepaid for any communication of the nature of a letter, not wholly printed, whether it be placed in a closed envelope or in an open cover, unless a post card be used for the purpose, or unless the letter be a circular letter according to the definition of a circular contained in Rule 3.
2. That cards having merely a halfpenny adhesive stamp affixed to them must not bear any communication of the nature of the letter, unless it be wholly printed, or unless it be a circular letter.

REGISTRATION.

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is fourpence.

The same fee is chargeable for the registration of letters, newspapers, book packets, and patterns to the British Colonies, United States, Germany, Italy, Switzerland, Belgium, and British Post Offices in Egypt and Constantinople.

Every letter to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, "if directed to any place in the United Kingdom or the British Colonies," be liable to a registration fee of 8d, instead of the ordinary fee of 4d.

The registration of a packet makes its transmission much more secure, inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence.

POST OFFICE TELEGRAPHS.

Telegraph business is transacted from 6.45 A.M. till 8 P.M. on Week Days, and on Sundays from 9 A.M. till 10.30 A.M., and from 12.30 to 1.30 P.M.

Important to Advertisers.

THE Circulation of the *AYR OBSERVER* and *AYRSHIRE ARGUS AND EXPRESS* Newspapers, in their several editions, is rapidly approaching

TWENTY THOUSAND COPIES WEEKLY,

being more than equal to all other Ayrshire Papers put together. Reaching every class, and in many districts being the only Papers generally read, the *Ayr Observer* and *Ayrshire Argus and Express* (now belonging to one Proprietor) offer to Advertisers peculiar advantages afforded by no other Papers in the district.

No objectionable Advertisements are inserted on any terms; but every encouragement is given to Local Advertisers to enter into contracts for the appearance of Advertisements in both Papers for the Quarter, Half-Year, or Year. This offers the most effective means of obtaining publicity, and the charges are comparatively moderate.

Spacious New Premises were recently erected in Newmarket Street for the printing of these Papers, New Fonts of Type have also been added; and, with the assistance of the most improved Steam Machinery, independent of the plant used for printing the Newspapers, every description of

LETTERPRESS JOB PRINTING

Is Executed Neatly, Expeditiously, and at Greatly Reduced Prices.

Estimates will be forwarded when required, and the most prompt attention given to country orders. Parties are respectfully requested, in order to prevent mistakes, to note the address. All Orders should be addressed to the *Observer Office.*

JAMES M. FERGUSON, *Proprietor.*

AND

ARRANGEMENTS have recently been made which have added considerably, and in certain most important respects, to the attractiveness and utility of the *Observer*.

Greater attention is now being paid to Agriculture; an Article from the pen of a writer who is a recognised authority on Farming matters appearing regularly.

London Correspondence, contributed by a gentleman now residing in the Metropolis with ready access to the best sources of information, and who has had rare opportunities of being familiar with persons and interests in the district, also forms a most important feature in the Paper than hitherto.

By means of an increased Staff of Contributors and Correspondents, all intelligence relating to Ayrshire is now of the fullest description.

That mysterious and popular critic, "The Lounger," continues his survey of passing events; and the expression of Public Opinion by other correspondents, on all subjects of interest to the community, is encouraged by the insertion of all communications, if written with brevity, sincerity, and simplicity, and with due attention to the public advantage.

The general policy of the Conservative Party—of which there have been many recent illustrations—may be described as at once safe and spirited; and it may also be said that of this character has been the policy of the present Proprietor of the *Observer* since it came into his hands. Changes and improvements have been made in accordance with the Spirit of the Age, which affects the Press as it affects everything else, and the approval with which these have been met, as evidenced by the steadily increasing favour bestowed upon the Paper, is in every way most satisfactory. The improvements now introduced will, it is confidently believed, tend to add still further to the value of the *Observer* as a Chronicle of Contemporary and Local History, as an Independent Exponent of Constitutional Principles, and as a Medium for Advertisements.

To be had from Agents everywhere, Price One Penny; or direct from the Office, 8s per Annum, unstamped; or free by post, 12s per Annum.

THE AYRSHIRE

ARGUS AND EXPRESS:

AN AYRSHIRE WEEKLY PAPER.

THE *ARGUS AND EXPRESS* are now incorporated, and the united efforts of the Staff of Contributors and Correspondents formerly connected with each of these Papers are now devoted to one, and the resources thus concentrated in support of the

ARGUS AND EXPRESS,

ENABLES IT TO TAKE RANK AS THE

BEST WEEKLY PAPER PUBLISHED IN AYRSHIRE.

Printed and Published in the County Town, different Editions, containing all the Local and General News up to the hour of going to press, are Published to suit the speediest means of conveyance to every part of Ayrshire, Agents being appointed in every Village, embracing Mining, Manufacturing, and Agricultural districts.

Serial Tales of great interest appear regularly. A New Tale, specially written for the *Argus and Express*, by one of the most popular authors of the day, will shortly be commenced.

The circulation of the *Argus and Express* is larger than that of any other Paper published in the South-Western Counties of Scotland, and presents an unequalled medium to Advertisers desirous of publicity among all classes of the community.
